Subject: **23RD MEETING OF THE BOARD OF PAKISTAN SPORTS BOARD**

1. I have just received an email forwarded by my office which was dispatched by PSB at **06:04 P.M. on Sunday 29 August 2021** with a request to attend a Board Meeting on Monday 30 August 2021. Sunday being a holiday the offices were closed and therefore the email was forwarded Monday morning. Strangely the original Notice of the Meeting of the Board was issued sometime back to the rest of the members of the Board but for some reason it was not deemed appropriate to invite/inform President POA, who is very much a member of the Board, to attend this meeting. That the invitation was sent just a few hours before the meeting therefore seems to be an afterthought or a late realization that a member of the Board should be invited to attend.

2. You will realise that in any eventuality it would be well-nigh impossible to attend any meeting at such a short notice. You will also realise that I am in USA with a time difference of 12 hours. It would have been appropriate if this notice of the meeting could have been sent to me along with the rest of the Board members and to arrange my attendance virtually. Much that I would have liked to, but due to this very late information, it is impossible for me to attend this meeting.

3. For the sake of propriety and fairness, it is therefore also requested that the points related to POA may be deferred till the next meeting.

Lt Gen Syed Arif Hasan (Retd)
President, Pakistan Olympic Association
Board Member of PSB
